Search For Relevant Articles Fast

5 easy steps

Search

- Think about how you structure your **SEARCH** - phrases, truncation, Boolean

Facet

- Use the **FACETS** to focus your search and refine the results

Result

- Browse **RESULTS** to look for full text, persistent links, citation tools and more

Alert

- Do you need to save or set up an **ALERT** to a search or publication?

Folder

- Use the **FOLDER** to collect articles per session – log in to store these indefinitely

Tutorials

Many of EBSCO's products include recorded, on-demand tutorials. Many are found within the product Help pages and can also be located on the EBSCO Support Site:

<http://support.ebsco.com/training/tutorials.php>

The screenshot shows the EBSCO Support Site interface. At the top, there is a navigation bar with links for Support Home, Knowledge Base, Training, Promotion, Success Center, and International Resources. On the right side of the navigation bar, there are links for Contact and Email Support. Below the navigation bar is a search area with the EBSCO SUPPORT logo, a search input field, and dropdown menus for All Services and All Document Types. A Search button is located to the right of the search input field. Below the search area are links for Advanced Search, Search By Database, and Browse Services.

Tutorials

Looking for EBSCONET, ERM Essentials, A to Z or LinkSource Tutorials? Click [here](#) to learn how to find them.

Note: If you are accessing tutorials from an Apple device (iPad, iPhone, iPod touch), click the YouTube icon to view a tutorial on your device.

= Video = Adobe Flash = Microsoft PowerPoint = Adobe Flash with interactive quiz
